Subject Re: Manistee Inspections-PCA and Martin Marietta

Good morning Mr. Assadi,

I am the district inspector for PCA. The contact person at the facility is Rick Brown (231-723-8148). Neither Al nor I have any objections to announcing the inspection. Both of these facilities have pretty good compliance histories. Al and my contact information is listed below.

Martin Marietta

Plant Manager
231-723-1205
Process Engineering Manager
231-723-1206
Environmental Manager
419-849-4258

Jim Reithel

Bob Gutowski

Joe Green

Bob Gutowski is my day to day contact.
Joe Green is the environmental manager over several plants in the region. I have only met him once.

Hi Allen,

I am planning to inspect PCA and Martin Marietta in the week of July 10. I am wondering if you would have names and phone numbers for the facilities' environmental contacts. I would appreciate it if you could also participate in the inspections. I am thinking of announcing the inspections, let me know if you think otherwise. Thanks.
